

# Troop 85 Summer Camp News

## First Year Camper Edition

### Camp Lonestar

We will be going to **H. Roe Bartle Scout Reservation**, staying at Camp **Lonestar**, campsite **Apache** for **Session 4 (July 5-14)** this year.

### Campmasters for 2010

Mike Fischer and David McCreight are Camp Scoutmaster and Assistant Camp Scoutmaster for this year's summer camp. Mr. Fischer may be reached at 913-814-7260 with questions.

### The Program

First year scouts get the opportunity to earn several merit badges, including swimming, an eagle required badge.

Advancement opportunities abound. Boys also get the chance to know other boys while building independence and self confidence.

Troop 85 has young adults (scouts that have turned 18) lead the 1<sup>st</sup> year program.

### Camp Boxes

Troop 85 traditionally has a day for first year campers to build camp boxes. The boxes are around \$40 for materials and take a day to make. Everything needed, except chairs can fit in the box and keeps things dry and secure at camp. Watch newsletters for the actual dates.

As camp gets closer, what to bring to camp and other handy information will be provided.

### Special Needs

If a scout has special physical or dietary needs, a form must be turned in. Please see Mr. Fischer or Mr. McCreight.

### Health Forms

Health forms completed with **doctor signature** by June 7, 2010. They are available on line at:

<http://hoac-bsa.org/AboutUs/Forms/CampingInfo.aspx>

Select Annual Health and Medical Record.

Please schedule your doctor appointments. Please see Mr. McCreight for any questions or to turn in Health forms.
