There are 6 time slots for merit badges this year. We have a sign-up sheet that needs to be completed so we can make the proper sign-ups for each scout. The following merit badges requires specific pre-work that **MUST** be done before camp, it is never too early to start, the pre-requirements are available at all meetings, they include:

Archaeology, Bird Study, Camping, Environmental Science, Fish and Wildlife Management, Journalism, Nature, Reptile and Amphibian Study, Weather and Wilderness Survival.

Please see your summer Campmasters (Mike Fischer or David McCreight) for questions.

Health Forms

The new health form is required for **everyone** and all require **doctor signatures**. They must be completed and turned in by **June 7, 2010**.

The new Health forms are here that take the place of class 1, 2 & 3. These health forms are available at all meetings. Please see Mr. McCreight or Mr. Fischer. They are also available online. At http://www.scouting.org/filestore/pdf/34605_Letter.pdf .

First Year Scouts, Go to MB class as a group

As mentioned earlier in this newsletter, all first year scouts will be attending merit badge classes as a group.

“Visitors Day.”

Sunday, July 11th

*Starting at 10am through
5pm that evening*

The only exception will be those boys who don't pass the BSA swim test at camp. Those not passing the swim test will not be able to take the Swimming Merit Badge class. Instead, an alternate class will be selected for them. If your son needs help with learning to swim, please contact Mr. Fischer. There is also a beginner's swim class offered at camp.

It is a **very important** experience for 1st year scouts to attend camp! This is a great opportunity for advancement and growth.

Adults at Camp

We will be asking you to take on various responsibilities at camp to make the entire program a fun experience for the boys. We will be asking you to be responsible for a need at camp; if there is something in particular that you would like to help us with, please see Mike Fischer.

Every adult needs to be registered with the troop and we recommend everyone to take Youth Protection Training. This can be online through the HOAC website:

http://hoac-bsa.org/youth_protection.cfm

The Heart of America Council recommends that ALL adult leaders complete this training.

Camp T-Shirts

Bartle camp T-shirt. Shirts are \$11.00 (XXL=\$12.80, XXXL=\$13.70, XXXXL=\$14.60).

The sign-up list is through our Troop Treasurer Mrs. Bolin. **You must pay for the Shirt when you sign the list**

To purchase a Troop 85 (Class B) T-shirt, please see Mrs. Bolin during troop meetings.

Camp Boxes

Saturday, June 12th 8 am - 12 pm (rain or shine)

Mrs. Bolin has a sign-up sheet at troop meetings to build these boxes. You must sign-up ahead of time to participate. The boards are pre-cut and this is a great way for the boys to get a good camp box for a reasonable price that they will use for years to come. The price should be in the \$50 and is based on actual cost of materials. Mr. Preston will again be heading up this event at his house. Thanks Mr. Preston!!

MERIT BADGE SIGN-UP FORM

(Not for first year scouts)

Turn in to Mr. Fischer Monday, June 7st at Troop Meeting (we will take time to work on this during the meeting that night also).

Each scout attending camp will sign up for and attend Merit Badge classes. Please consult the Merit Badge Program Information document attached and fill in the merit badge schedule.

Be aware that some badges take 3 days to complete while others take 6 days. The Merit Badge Schedule provides day and time information. Scouts should sign up for 4 to 6 merit badge slots. If a scout is involved in Mic-O-Say activities or another Bartle activity that conflicts with merit badge class times (e.g., BSA Lifeguard Training), he may reduce this. In all cases, the scout must plan to be fully engaged in merit badge classes. There is a make-up day on the last full day of camp.

Note: Basketry, Leatherwork, Pottery, Sculpture, Art, and Wood Carving Merit Badges are not scheduled and should be used as fillers if work is completed early.

The form will be reviewed and approved (or modified, as needed, with the Scout's input) and Scouts will be notified of any prerequisites needed for requested Merit Badges. If a scout is not at the June 1st Troop meeting, the form must be provided to Mr. Fischer by June 7th at the latest.
